The night before

Confirm test center address and appointment time

Use your PSI confirmation, not a saved map pin or a licensing-location list.

Match your name exactly

The appointment name must match your current government ID.

Set out one qualifying ID

Current, valid, unexpired, government issued, with photo and signature.

Plan to arrive 30 minutes early

Build in parking, building entry, and check-in time.

Leave prohibited items at home where possible

No handheld calculator, notes, electronics, personal paper, or writing tools.

Stop heavy study

Use one calm review pass, prepare clothes and route, then protect sleep.

What to bring

Bring	Do not rely on
One qualifying government ID	Two-ID advice copied from older exam providers
PSI appointment details	A test center being an authorized licensing location
Approved accommodation confirmation, if applicable	Same-day licensing after a pass
Simple permitted clothing	Bulky outerwear or storage being available

Calm performance card

PERFORMANCE STANDARD

Your job is decision quality

You do not need to feel calm before you begin. You need a repeatable process that keeps one hard item from affecting the next five.

1

Reset posture

Feet down, shoulders released, one slow exhale.

2

Classify the stem

National or Georgia? Rule, distinction, calculation, or exception?

3

Restate the ask

Especially when the stem contains EXCEPT, NOT, BEST, FIRST, or MOST.

4

Eliminate by rule

Reject options that require a fact the stem never gave.

5

Move forward

Do not let a difficult item borrow attention from the next item.

Sources, scope, and revision record

This independent study resource is not issued or endorsed by GREC or PSI. Official rules and your appointment instructions control if anything changes.

TRUST STANDARD

Built for verifiability

Every high-stakes number has an official source. Rules that vary by facts are framed as study distinctions, not personal legal advice.
